**(RESTORATION OF HEADLEE REDUCTION)**

This proposal requests the restoration of millage to allow the continued levy by the intermediate school district of the maximum mills for special education previously approved by the electors.

Shall the current limitation on the annual property tax rate for the education of students with a disability in Ionia County Intermediate School District, Michigan, be increased by .4122 mill (\$0.4122 on each \$1,000 of taxable valuation) for a period of 10 years, 2017 to 2026, inclusive (this increase will allow the intermediate school district to levy the maximum rate of 4.75 mills previously approved by the electors that has been reduced as required by the Michigan Constitution of 1963); the estimate of the revenue the intermediate school district will collect if the millage is approved and levied in 2017 is approximately \$715,000 from local property taxes authorized herein?
